Application

Time in the Word: the first step is always **PRAYER**, "Jesus, open my heart and mind to the Truth."

(The R.E.A.P method)

Read a particular passage (ex. John 1) Did a certain verse stand out to you? Make that your Key Text, and focus on that. (ex. John 1: 3)

Examine what you have read. What is going on in the Key text? Write down thoughts on what you have read.

Apply what you have read by writing out how you will be different today because of what you have just read.

Pray a prayer based on your time in God's Word.

Prayer:

Choose 2 different Psalms to pray over your life. (suggestions- Ps. 16, Ps. 18, Ps 23, Ps 26, Ps 27 Ps. 31, Ps 46, Ps 63. Ps 84, Ps. 111, Ps 139)

Witnessing:

Witnessing is sharing the Gospel. Write down the names of 5 friends or family members who don't know Jesus and next steps to take in sharing Jesus with them. Pray for them 5 minutes everyday to know that the righteousness from God comes through faith in Jesus Christ to all who believe. There is no difference, for all have sinned and fall short of the glory of god, and are justified freely by his grace through the redemption that came by Christ Jesus. (Romans 3:22-24)

Fellowship:

If you haven't found a church, find one. Find ways to serve in the church.

☺ Make an effort to hang out with other Christian friends you have and talk about what you are learning about Jesus.
